

## ELCA visit to the VYRA at Viher

### Viherpäivät & Vihertekniikka

Jyväskylä – 6/7 February 2019

### VIHER : Viherpäivät & Vihertekniikka in Jyväskylä

This is the biggest yearly event in our branch in Finland.

Viherpäivät = "Green Days" is a two days conference with seminars and workshops in landscaping branch.

Vihertekniikka = "Green technique" is an exhibition for landscaping contractors, designers and architects in the same time.

VYRA had a stand in the exhibition and ELCA has met many members of the Finnish association. There was also a national board meeting during the event and ELCA could meet the members of the board as well.

At the fair there was also a pre-selection competition of the SkillsFinland

**You can find a very nice photo overview in the link**
